

How can we ensure the Sanibel
we know for future generations?

What lessons from our past
can guide us in this effort?

What emerging new ideas in
environmental policy will help us?

*Hear a noted environmentalist
explore the answers to these
questions...*

**On Friday, March 25th, At
The Annual Meeting Of The
Committee Of The Islands**

Carolyn Raffensperger, previously with the Sierra Club and now Executive Director of the Science and Health Environmental Network, will deliver a presentation entitled, "Sanibel: A Legacy For Future Generations."

All are invited to attend at the Fellowship Hall of the Sanibel Congregational United Church of Christ, 2050 Periwinkle Way.

Join us for coffee and rolls at 9:00 AM. Meeting begins at 9:30. For more information, email Committee of the Islands: coti@coti.org.
